Principal: Mrs. Andrea Gutmann

Vice-Principal: Ms. Nancy Hazelwood

Dear Parents,

Many of you have inquired about when/how you would be able to pick up your son/daughter's belongings. Your patience while we worked out a plan for this to happen is appreciated. Please find attached the staggered schedule for picking up student belongings. At this time our staff will be putting together belongings in a labelled bag which will be located in the gym according to classes. These bags will be sorted by homeroom to enable easy access. We ask that parents do not bring students or small children with them to pick up students' personal items if possible. Staff will be on hand to assist gathering your child's bag. This will help support efforts to keep everyone healthy and safe during this time. Please be respectful of the times indicated to support our medically fragile families.

We are also asking that library books currently signed out be returned and we will have a drop off point at the entry of the gym. As well you will find a Grab & Go Nutrition Table with items we have here at the school which need to be used.

As indicated by the Chief Medical Officer in her many communications, it is important that no one coming to the school is showing any signs of illness. The main purpose of this cancellation is to help stop the spread of this virus and to keep everyone healthy. We thank you in advance for your assistance in helping with this and thank you for your patience and understanding.

Andrea Gutmann & Nancy Hazelwood
