

FRIENDS OF SPARLING SCHOOL

c/o 5216 – 52 Avenue
Camrose AB T4V 0X4

Dear Sparling Families,

We are very excited to jump back into our playground fundraising after such a long break! In light of Covid-19, we have had to explore new creative ways to meet our fundraising goals while accommodating restrictions and our school's families. We are happy to report that you have helped us to fundraise just over \$30,000 to date, and we thank everyone for helping us get this far! There is still a lot of work ahead, but with such a wonderful community we know the finish line is near!

With the current Mixing Spoon fundraiser, we are having to change our pick-up options. For any orders under 6 jars, we trust that students will be able to take the orders home with them when they arrive, unless otherwise instructed on the returned order form. If your order is 7 jars or more, we will arrange for contactless curbside pick-up outside the school for the days leading the order arrival. Please be sure to leave us your best day time contact number on the order form so we can reach out if need be. **Emails to notify families when orders arrive will be sent out (highlighted for approval).** ***Please note deadline for orders is Friday, OCTOBER 23***

Also, our Camrose Universal Bottle Depot now has an open donation account that will run year-round. If you desire to donate your empties for the Sparling School playground, all you have to do is let them know when you bring them in! Thank you in advance for your support!

Building the bridge between school and community is the forefront purpose of school councils across our province, and we would love to hear from you! It is not just about volunteering, but also sharing in the common interest of our children and their school experience. Parents, guardians, grandparents, aunts and uncles alike. If you are interested in attending our next School Council meeting, we would love to have you there! The next meeting has been set for Monday October 26, 2020 for 6:30pm in the school's learning commons. This will be an exciting meeting as we will be electing a new board for this school year! It doesn't matter if you're the type that likes to dive right in or be a fly on the wall, we welcome one and all!

We wish you all a happy 2020-21 school year and hope everyone is staying healthy!

Sincerely,

Friends of Sparling School
