Hello Sparling School Family.

All schools in Alberta are being temporarily shifted to at home learning at the end of this week. Here's the plan for our school:

- On Thursday, May 6 your students will be dismissed at the Early Dismissal time of **2:00pm**. Each student will be bringing home a Print Package to support their learning over the next two weeks.
- Your classroom teacher will be connecting with you no later than Monday, May 10, to share a learning plan for the next two weeks. This will include online learning options and google meets for you to access if you wish. Our core focus will be Literacy and Numeracy
- Each day we will be hosting a morning Literacy Google Meet which will include a story from Mrs. Gutmann or Mr. Skinner! Classroom teachers will be sharing the link!
- For our students who require specialized supports, we will be reaching out to you directly to make learning arrangements.
- Our Shine Bright preschool program will continue **in person learning at this time.**

We know that this is a challenging situation and we appreciate your ongoing support and understanding during this most unusual year. If you have any questions please reach out to us at the school.

Yours in Education,

Andrea Gutmann
