Vice-Principal: Jonathan Skinner

May 9, 2021

Dear Families:

I am writing to let you know that an individual from Sparling School has tested positive for COVID-19 today. That is the second case at our school this week.

Parents/guardians of students and staff whom we consider to have been in close contact with the individual who has COVID-19 have been contacted by the school administration and will be quarantining at home. They are able to attend school remotely, as other students are doing right now.

If you **have NOT** been contacted, your child has not been identified as a close contact with this individual and is not considered to be at an increased risk for COVID-19.

Please note that our division will follow the Freedom of Information and Protection of Privacy regulations and will not be sharing any information regarding the specific individual who tested positive.

We remind parents/guardians to monitor their children for any signs or symptoms of COVID-19. The Daily COVID-19 Checklist can be found [here](#).

Even though your children are not coming to school, if your child has any of the symptoms of illness listed on the daily checklist, please fill out the online [Alberta Health Services COVID-19 self-assessment](#) or call Health Link at 811 and keep your child at home from other activities.

Thank you for your continued support and understanding. Our school family will get through this situation together.

Yours in Education,

Andrea Gutmann
