

Sparling School Staggered Arrival/Dismissal Information

For the 2021/22 school year we will be continuing to implement a Staggered Arrival/Dismissal. Along with helping to support physical distancing, we found that this process was beneficial to our students as they were able to get settled quickly into their classrooms and learning. We kindly ask that you ensure your child(ren) is dropped off/picked up during their time frame. Students arriving on the bus will proceed to their designated door upon arrival.

Please remember

- Students will need to enter and exit the school at their designated door.
- Our supervision outside begins at 8:10am. Please ensure students arrive after this time to ensure their safety. Students are to line up with their class upon arrival and a staff member will welcome them into the building. There will be a labelled pylon placed outside to line up at and in case of inclement weather students will be allowed to enter the building and proceed to their classroom
- Upon arrival students will need to use hand sanitizer or wash their hands when they enter the building
- Students in K - 5 will need to ensure they are wearing a mask before entering.
- Students will be dismissed during their specified timeframe out their designated exit
- Parents are welcome to pick up their students near their exit doors.
- Our playground is closed at the start of the school and will not be available for student use at this time. **At the end of the day, teacher supervision finishes outside at 3:15pm. Please make sure to supervise your child(ren) on the playground after school.**

It is important that we work together as a Sparling Community to ensure safe arrival and dismissal from the school. We ask that parents do not send their child(ren) early to school and review these procedures prior to the start of the school year. **Please refrain from using the Staff Parking lot for pick up or drop off. We have numerous staff members that arrive at staggered times and we want to ensure the safety of everyone.**

Remember we are here to support you and if you or your family need to discuss an alternate arrival/dismissal plan, please contact us at the office and we would be happy to support. You will find attached a school map with labelled entrances and our staggered entry schedule.

Thank you for supporting Sparling School to ensure a Safe & Caring start to the school year

Andrea Gutmann
