Dear Tuesday / Thursday Kindergarten Families:

We have received notice from Alberta Health Services that someone connected to Tuesday / Thursday Kindergarten has tested positive for COVID-19 and was infectious while at school last week. That means your child has been exposed to COVID-19 at school.

Although students and staff in the class are not required to quarantine, we do ask that all families be diligent in watching for any signs or symptoms of illness and keep children at home if they are not well.

You will find the symptom information for people under 18 on pages 3 and 4 of the Daily Checklist, through this link:

Thank you for your support.

Sincerely,

Andrea Gutmann, Principal
